Competence Elements covered in Workshop

The unprecedented response to the First workshop on Project Management

(16 July 2014) The First Interactive workshop on project management leading to IPMA Level D Certification was attended 95 delegates from 35 companies. There is a tremendous enthusiasm among Indian Industries to strengthen project management skills.

Word Project has come from Latin word 'Projectum', which means to throw something forward. Projects in essence are undertaken to build future. Future is uncertain and hence risky. Global authorities have evolved a set of competencies which are imperative for people who want to be associated with this profession of building future.

International Project Management Associates (IPMA), formed in 1965 is the oldest global association of Project Management professionals focused on building skills of Project Management professionals. It has Member Associations across 57 countries. IPMA has 4 level certifications covering entire career path of a professional who is involved with projects of any nature, irrespective of the industry. Project Management Associates, established in 1993, is a not for profit society and an exclusive Member Association of IPMA in India.

Benefits of globally recognised Project Management Certification

a. Overall Benefits

- It improves one's capability to deliver better, faster, less expensive products and services.
- Performance based certification secures competitive differentiation.
- Certification ensures that you have standards by which project management performance can be measured.

b. Employers Benefits

- As the course enhances the knowledge base of the employee for handling the project in an effective manner it helps the company to bring the cost over runs and time over runs to a minimum
- It provides a marketing tool by demonstrating the company's commitment to excellence in project management and the competence of its staff.

c. Employee Benefits

- It provides peer recognition of one's competence.
- It enhances other technical or business qualifications
- It assists in the recognition of the transferability of an individual's skills from one company or industry to another.
- It enhances their confidence in their project management and general business knowledge.

d. Customers Benefits

- It enables clients to assess a proposed project manager's competence
- It provides positive proof that the individual concerned has gained peer recognition of his/her ability to manage projects
- It builds confidence about the company undertaking the projects

PMP® is registered trade mark of PMI

Higher rating indicates more robustness

A new beginning with significant implications for India

Competency based Qualification - IPMA Level D

Paper 1 : (Duration - 2 hours) This paper has 2 sections - Section 1 and Section 2

Section 1: (Max. 140 Marks) This section contains 140 multiple choice objective type questions covering all the competence elements. Each question will have 4 choices. You have to choose only 1 answer.

Section 2 (Max. 35 Marks) This section will have 10 detailed objective type questions requiring multiple selection in the answer. On an average, every question will have 8 to 10 options and you may have to select on average 3 or 4 best answers.

Paper 2 : (Duration - 2 hours)

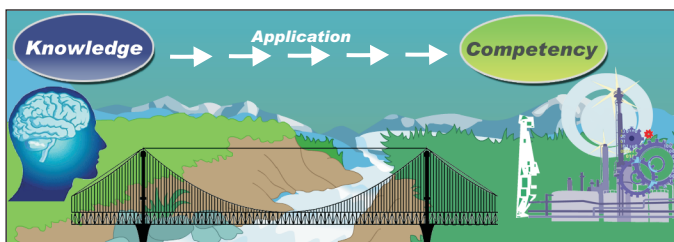

This paper (Max. 125 Marks) will contain 8 questions out of which any 5 are to be answered. The questions will be numerical type based on Calculations / Graphs etc. Note: This paper will not require detailed English essay type answers.

The pass mark is 60% i.e. 75 marks out of 125 marks to pass Paper 2. There is no negative marking.

Note: Candidates must clear both papers independently for getting Level D certification.

IPMA Level D Certification Eligibility

- Must hold a Bachelor degree from a nationally recognized University.
- Degree holders should have 200 days of working experience.
- Candidates applying for IPMA Level D certification must satisfy the educational and experience requirements and agree to abide by the code of professional conduct by endorsing his/her signature.

Certification based on Exam is the basic step. It should lead to competency based certifications.

IPMA Level D is competency based qualification as part of IPMA 4 Level Certification System

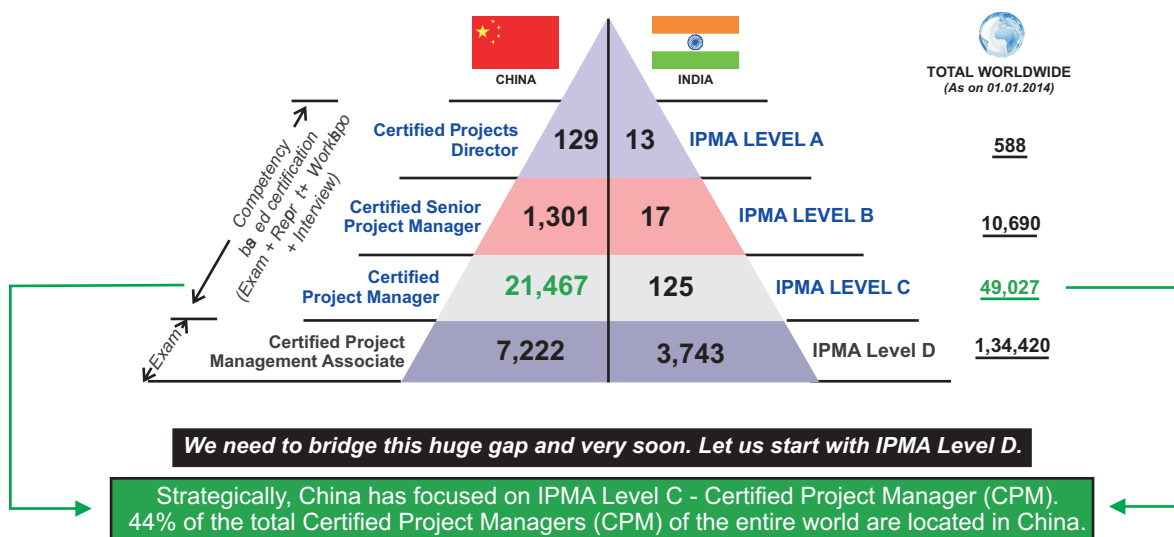

Project Management Associates (PMA), is the most vibrant National Association of Project Professionals in India. PMA is a not for profit, registered society founded in 1993, with a vision of "Creating a Project Oriented India". PMA, India, is the Indian Member of International Project Management Association (IPMA) which has 57 Member Associations Countries across all the continents. Ministries of Shipping and Road Transport & Highways are Life Members of PMA. To Create a Project Oriented India (POI), PMA's National Managing Committee initiated the drive to open 30 Chapters across various cities, to serve all the regions of India. As on date PMA has 14 Chapters in Bengaluru, Bhubaneswar, Chandigarh, Chennai, Hyderabad, Kolkata, Mumbai, NCR, Panipat, Paradip, Pune, Ranchi, Trivandrum and Vadodara.

Founded in 1957, All India Management Association (AIMA) is an autonomous body which plays a proactive role in pooling management thoughts within the country. It is a platform to develop National Managerial ethos and an organization to facilitate the furtherance of the management profession in the country. Affiliated with AIMA are federation of Local Management Associations, Qatar Management Association and Mauritius Management Association. AIMA has over 3000 institutions and 30,000 individual members. AIMA is represented on a number of policy making committees of the Government of India, the Indian Institutes of Management, All India Council for Technical Education (AICTE) and some other professional bodies like the Bureau of Indian Standards and National Productivity Council. AIMA is also a member of Asian Association of Management Organization. AIMA maintains close links with American Management Association, Chartered Management Institute (UK), all the National Management Organizations in the Asia Pacific Region and St. Gallen University of Switzerland.
