2019-2020

President's Message

Dear Members,

It is a pleasure to present AIMA's annual report for the year 2019-20 to you.

It has been a roller coaster year for AIMA and I have been privileged to lead the organisation through an extraordinary period of challenges and innovations. I am pleased to report that AIMA has coped well with adversities created by a declining economy coupled with the lockdown due the Coronavirus situation.

The pandemic that has the entire globe in its grip nowadays, hit the world at an unprecedented scale with no parallel in living memory, and completely changed the way we live and work. Thinking quickly on its feet, the AIMA team immediately embarked on a journey of digital transformation and launched several new online programmes and services, while transforming existing ones into their virtual avatars.

Going digital has been the outstanding feature of AIMA's progress this year.

In a significant first, AIMA introduced 'Internet Based Remote Proctored Tests' for its flagship Management Aptitude Test (MAT). Taking MAT online was a critical move for AIMA. Now, students can take MAT from their homes, and are remotely proctored using AI and human proctors. In addition, customised e-interviews and e-counselling were conducted for several leading institutions with more on the anvil.

Another key online initiative has been the new AIMA LeaderSpeak programme, which has proved extremely popular with both the speakers and members. Close to 30 sessions have been held with top government and business leaders and global experts including Mr Nitin Gadkari, Sri Sri Ravishankar ji, Mr Amitabh Kant, Mr Anil Sahasrabudhe, Mr Shashi Tharoor, Mr Krishnamurthy Subramanian, Mr Suresh Prabhu, Mr Sanjeev Sanyal, Mr K Radhakrishnan, Mr Claude Smadja, Mr Sunil Kant Munjal, Mr Sanjiv Mehta, Mr Mohandas Pai, Mr Harsh Pati Singhania, Gen V P Malik, amongst many others. Participation and viewership at some of these sessions ran into several thousands.

Management development programmes were also taken online which expanded AIMA's reach. AIMA converted its popular Goa Retreats into a new avatar – the 'BusinessUnusual' series of online programmes, with a focus to help enterprises deal with the challenges created by the pandemic. These programmes were a resounding success, with a participation of close to 200 delegates. A new programme titled e-Masterclass has been announced, and will commence later this year.

AIMA also introduced Virtual Internships for management students

through AIMA's BizLab - a virtual lab for management students. The programme provides students, an opportunity to learn and implement management strategies from the safety of their homes. All of AIMA's on-the-ground Business Simulation Programmes and Competitions were successfully revamped, and rolled out in the digital mode.

The increased adoption of virtual platforms melted international boundaries, leading to increased collaboration with overseas partners.

As a new initiative, AIMA and University of California Berkeley held the first edition of the Berkeley Innovation Forum in India, as a platform to engage and develop strategies and solutions, to restore economic growth in India post-COVID-19. The 3 day programme was kicked off with a keynote address by Mr Amitabh Kant and Mr Sunil Kant Munjal, followed by discussions between corporate leaders, government officials and the UC Berkeley think-tank.

In addition, AIMA tied up with University of California Santa Cruz, to offer a joint Advanced Certificate in Management and Innovation from January 2021. A joint certification will be provided by AIMA and UC Santa Cruz at the completion of this programme, and an option of an Immersion Programme will also be offered to students, enabling them to spend two weeks in the UC Santa Clara campus in the US.

Further in the area of education, AIMA built on its existing blended learning programmes. AIMA launched an executive PGDM this year. AIMA will soon be implementing a learning management platform to make its education activities more accessible and user-friendly. AIMA's 25th Convocation was also held online where the Chief Guest, Mr Ramesh Pokhriyal 'Nishank' along with Prof Anil Dattatraya Sahasrabudhe virtually presented the honours to the 2020 batch of scholars.

As a new initiative, AIMA formed a Vice Chancellors' Council as a think tank for suggesting improvements and innovations in higher education. Many VCs, Deans, Directors and Senior Academicians have already joined this Council, which aims to build world class online Management Education and facilitate the transition of Indian universities to world class institutions.

AIMA is also embarking on joint research with National Institute of Educational Planning and Administration, a leading organisation established by the Ministry of Education.

AIMA's Young Leaders Council too has been very active online, and held several virtual sessions for its members across the various chapters in the country. The Council also created Special Interest Groups and a Mentor-Mentee Forum, to augment learning and best practice sharing among its young leaders. Both the initiatives have been very well received by the Members.

The online shift has also increased AIMA's support for LMA events, as it has been able to provide many eminent speakers to LMAs through

video links. When things were better, several Office Bearers and Council Members visited some of the LMAs and participated in their programmes; and the tradition continued in the virtual space post the lockdown.

The pivot to digital, made it easier to conduct online elections for AIMA Council for the year. While the online election was already in the pipeline before Covid, the broader digitalisation of AIMA made online elections a natural fit.

As an apt culmination to the Presidential year, the 25th Convocation and the 47th National Management Convention are being held virtually for the first time due to the current restrictions. The flexibility of the virtual mode has allowed this year's NMC to attract leading speakers from India and across the world, and we expect more than 5,000 people to join us. The NMC, chaired by Mr Munjal, will witness leaders like Mr Nitin Gadkari, Mr Piyush Goyal, Mr NR Narayana Murthy along with several other Indian and global thought leaders address the 2-day virtual programme. AIMA's journey of digital transformation will continue in the days ahead.

However, before the lockdown was imposed, it was business as usual at AIMA. The 64th Foundation Day & the 14th National Management Day was successfully held on 21 February 2020. On the occasion, the Chief Guest, Mr Piyush Goyal presented Mr S Ramadorai with the AIMA Life Time Achievement Award, and Mr RS Sodhi with the AIMA Public Service Excellence Award. Mr Harish Bhat received the AIMA Dr Ram Tarneja Award for Best Article in Indian Management while the AIMA Dr JS Juneja Award for Creativity and Innovation in MSME was presented to Microlit.

On the international front, AIMA organised the 4th edition of its US-India Conference at Berkeley, which was addressed by Indian and international thought leaders and academicians. Some of the speakers who addressed the Conference included Mr Conrad Sangma, Chief Minister of Meghalaya; Mr Sunil Kant Munjal; Mr Sanjay Panda, then Consul General of India, San Francisco; Ms Carol Christ, Chancellor, University of California; Mr Paul Saffo from Stanford University; Mr TV Mohandas Pai; Mr Henry Chesbrough from Haas School of Business; Mr Richard Lyons, Former Dean, Haas School of Business amongst others.

This was closely followed by a CEOs' Delegation Visit to Silicon Valley to expose India's leadership to emerging technologies and applications. The high profile delegation, led by Mr Sunil Kant Munjal and myself visited some of Silicon Valley's most innovative companies such as Intel, PayPal, Varian Medical Systems, Salesforce, Embraer, Carbon 3D, NIO and Twitter.

A long and important member of the Asian Association of Management Organisations (AAMO), AIMA received its rotational presidency last year, with Mr Rajive Kaul at the helm. The AAMO Secretariat will now be handled by AIMA for the next three years. The

AAMO Asian Leadership Award for 2020 was presented to Mr D Shivakumar at the AAMO Awards Night in Kathmandu held earlier this year.

AIMA continued its association with Horasis: The Global Visions Community. AIMA co-organised the Horasis Asia Meeting in Vietnam and the 12th Horasis India Meeting, which had to be held virtually. AIMA contributed to both the discussions with a high profile delegation of speakers, where the India Meeting witnessed a record number of AIMA speakers.

Before the lockdown, AIMA continued to reach out to the management community of students and professionals through its regular service offerings and programmes. The 2nd AI & Big Data Retreat and the 10th Senior Leadership Retreat were successfully held at Goa chaired by Mr TV Mohandas Pai and Mr Sunil Kant Munjal respectively.

AIMA, in partnership with Ministry of Electronics and Information Technology, Ministry of Finance and the World Bank, organised the 5th Global Procurement Summit, where Mr Suresh Prabhu delivered the special address. Other key events such as the 8th Innovation Practitioners Summit, HRM Conclave, 9th MSME Summit, Regional Management Conclave, Shaping Young Minds Programmes, witnessed active participation.

Despite the enormous challenges caused by Covid disruptions, AIMA accomplished a lot during this very difficult year.

AIMA managed cost cuts and cash flows through operational efficiencies and did not lay off people or cut salaries. Despite the disruption in the January-March quarter, AIMA ended the year with a surplus of Rs 25.28 crores as against the budgeted surplus of Rs 24.21 crores, thus exceeding the budget by Rs 1.07 crores. The surplus, after taking extraordinary L&DO expenses of Rs 1.64 crore, stood at Rs 23.64 crores.

AIMA has made important strides during the past year and I am confident that with your support, it will continue to explore new opportunities to help Indian management become more efficient and competitive.

I would like to take this opportunity to thank all Past Presidents, Council Members, our DG and Office Bearers, and LMA's for their contribution to AIMA and assure our New President, Council Members and Officer Bearers of my full support for the future.

I am delighted to hand over the baton to Mr Harsh Pati Singhania, who I am sure will steer AIMA to greater heights and further achievements.

Thank you
Sanjay Kirloskar

Internet based Remote Proctored Tests

AIMA has introduced the option 'Remote Proctoring Internet Based Test' (IBT) mode for Management Aptitude Test (MAT), keeping in mind the physical distancing requirement post Covid 19. Candidates can now also appear for the test from their homes, through a computer with webcam and internet connectivity conforming to the technical specifications. This 'Anytime- Anywhere' option is a veritable blessing to the students and B-Schools too, as their potential candidates would not get deprived of appearing for a qualifying test.

Unlike in the traditional modes where the candidates are being proctored in the controlled environment of a test room, in this new mode of testing the candidates would be proctored remotely using Artificial Intelligence (AI) based tools and human proctors. The reliability of these tools are tested and proven across by successful conduct of many such high stakes tests. AIMA is putting in all the required efforts to ensure successful execution of the test by deploying robust systems and practices. Moreover, a series of mock tests will be scheduled at a nominal extra fee so that the candidates have the opportunity to

familiarise themselves with this new mode of testing before appearing for the actual test. As a step forward, Remote Proctoring mode will also be extended to many of AIMA's other offerings including exams for its blended learning programmes, events, recruitment tests etc. keeping in mind the physical distancing requirement post Covid 19.

Online Interviews and e-Counselling

As an effort towards facilitating candidates at a time when physical distancing is advised, AIMA has introduced Virtual / Online Interviews and e-Counselling. These are conducted in a hybrid model which involves development of customised online software / utility to meet specific requirements; and use of licensed version of standard digital platform for digital meetings.

The online interview is being conducted using the following modules/interfaces:

Scheduling & Candidate Interface: Issue of online interview call letter, uploading of portfolio/reports by candidates

Interview Panel Interface: Online award of marks by interview panel members.

Candidate Authentication

Online Interview through Digital Platform: Interview panel members' live interaction with authenticated candidate.

Results

The e-Counselling system is an online web-based system, which can be accessed from anywhere over the internet. The system provides an interface for candidate's online registration with uploading of requisite documents, online payments of fees, document verification by client organisation, payment verification, seat allotment, approval of seat allotment and finally generation of seat allotment letter, strictly based on merit sequence, and requisite report generation, following all the policy guidelines prescribed by client organisations.

The system shows available seat status in real time to bring utmost transparency in the allotment process. The system also has the provision of receipt of online payments with the ability to communicate with candidates through mails and SMS.

The online interviews and e-counselling solutions offered by AIMA have been accepted by several National Institutes for their admission process.

Other Areas

AIMA's journey of digital transformation continued not just in its external or outreach programmes, but was also extended to some of its internal activities.

The elections for AIMA Council were also conducted online. While the online election was already in the pipeline before Covid, the broader digitalisation of AIMA made online elections a natural fit. AIMA had begun the process of digitalisation earlier in the year and the Council Elections for this year were conducted digitally for the first time. All nominations were received online and voting also conducted digitally. This enabled a faster response time with increased accuracy and efficiency.

In addition, AIMA also converted many of its publications into the digital mode to ensure that readers continued to receive the editions despite the lockdown. From May 2020 onwards, AIMA's monthly management journal, Indian Management, brought out in collaboration with Spenta Multimedia, was converted into a digital magazine. This year's Annual Report is being released in an interactive digital format, with embedded videos. The National Management Convention Souvenir is also being created as an interactive e-flipbook, with provision to embed website links and videos. AIMA's monthly newsletter, AIMA News was already being sent as e-magazine since 2012.

AUDITOR'S REPORT & ACCOUNTS

Auditor's Report

The Members
All India Management Association
New Delhi

We have audited the attached Balance Sheet of All India Management Association as at 31st March, 2020 and the Income and Expenditure Account for the year ended on that date annexed thereto. These financial statements are the responsibility of All India Management Association and our responsibility is to express an opinion on these financial statements based on our audit.

We have conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material mis-statement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion. We report that;

- (a) We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion, proper books of accounts have been kept by the Society so far appears from our examination of the books;
- (c) The Balance Sheet and Income and Expenditure Account dealt with by this report are in agreement with the books of accounts;
- (d) In our opinion and to the best of our information and according to the explanations given to us, the said accounts read together with the Accounting Policies and Notes as mentioned in Note 23 thereon give a true and fair view;
 - (i) in the case of the Balance Sheet, of the State of affairs of the Society as at 31st March 2020; and
 - (ii) in the case of the Income and Expenditure Account, of the excess of income over expenditure for the year ended on that date.

Significant Accounting Policies and Notes to Accounts

(Annexed to and forming part of the Balance Sheet as at 31st March, 2020)

A. Accounting Policies:

1. The preparation of financial statements in conformity with generally accepted accounting policies requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement and the reported accounts of revenues and expenses for the years presented. Actual results could differ from these estimates.
2. (a) Inventory of saleable publications and priced printed brochures, books, study material and stationary are valued at cost or net realizable value whichever is lower.
(b) Outdated stock of books, prospectus and bulletins etc. is charged off as and when ascertained.
3. Interest on investments of corpus funds is added to corpus funds and in the case of earmarked funds, interest is taken to income.
4. Depreciation on fixed assets is provided on the following basis:-
 - (i) Premium on the leasehold land is amortized over the period of lease,
 - (ii) Library books and films at 25% on written down value method,
 - (iii) Other assets at written down value method at rates as prescribed in Income Tax Act, 1961.
5. Accounting Standard-9 Revenue recognition states "revenue should be recognized at the time of sale or rendering of services. However, if at the time of sale or rendering services there is significant uncertainty in ultimate collection of the revenue, then the revenue recognition is postponed and in such cases revenue should be recognized only when it becomes reasonably certain that ultimate collection will be made". AIMA has followed the above principle for recognition of revenue except for membership fee and income from sale of prospectus which is accounted for on cash basis consistently.
6. Expenditures are accounted for on accrual basis.
7. Accounting Standard-10 accounting for Fixed Assets states "the cost of fixed assets should comprise its purchase price and any other cost directly attributable to bring the assets to its working condition excluding G.S.T. if Input Tax Credit is to be availed of. When the fixed assets are retired from active use and disposed off then the gain or loss from disposal of fixed assets is recognized in the statement of Profit and Loss or Income and Expenditure Account". AIMA has followed the same principle for accounting of fixed assets.
8. Liability for Leave encashment is provided for on basis of valuation from Life Insurance Corporation of India under a Group Leave Encashment Scheme for employees.

Similarly Liability for Gratuity is also provided for on basis of valuation from Life Insurance Corporation of India under a Group Gratuity Scheme for employees. The Group Gratuity Scheme is administrated by AIMA Employee Gratuity Trust.

As AIMA has opted to make contribution to Life Insurance Corporation of India towards Employees Gratuity and Leave Encashment, provisions are created on the basis of information received from Life Insurance Corporation of India.

9. Provident fund is contributory. The rate of contribution is 12% of basic salary. The Provident fund is administered by the AIMA EPF Trust. AIMA EPF Trust shall pay interest at the statutory rate decided by EPFO. Pending finalization of provision of interest to be credited to the employee's accounts in the books of the PF Trust, AIMA will need to ascertain the amount of contribution, if any.
10. All Revenue Grants received / receivable by AIMA during the financial year are credited to Income & Expenditure Account.

B. Notes to Accounts:

1. Income tax cases of AIMA for the financial years 2004-05 to 2009-10 were listed for hearing on 12th November 2013 before the Hon'ble High Court of Delhi. The Hon'ble High Court of Delhi has held that the word 'education' has a wider meaning and is not restricted to imparting education to students through classes only. The Hon'ble High Court of Delhi has held that the activity of conducting tests carried out by AIMA is not to be considered in isolation but has to be considered as part of the overall activities carried out by AIMA to further its objective. The cases were referred back to DGIT(E) for review.

Presently, AIMA's Income Tax proceedings are going on under section 10(23)(C)(vi) of Income Tax Act, 1961.

2. (A) AIMA in the past has received two show cause cum demand notices finally confirming the demand of service tax due of ₹ 25.53 crores along with a penalty of ₹ 25.53 crores u/s 78 and u/s 77 of the Service Tax Act. Thus the total demand inclusive of penalties comes to ₹ 51.06 crores for the period from 2004-05 to 2010-11.

AIMA filed a statutory appeal in the CESTAT, New Delhi impugning the above said confirmation of demand by the adjudicating authority.

The Tribunal after final hearing of above cases on 10th March 2017 decided in favour of AIMA & set aside demand & penalties vide its order No. 52459/2017 dated 21st April 2017.

The service tax department has since then filed an appeal in the Hon'ble Supreme Court against the Tribunal order and AIMA has received a notice from the Hon'ble Supreme Court on the same. AIMA has filed a detailed counter reply in the Hon'ble Supreme Court on 3rd July, 2018 through our Lawyer. Hence the case shall be taken up in due course by the Hon'ble Supreme Court.

- (B) Third show cause cum demand notice was issued by the Service Tax Department on 18th April 2013 for ₹ 2.25 crores for the period from 2007-08 to 2011-12.

The reply to the above show cause cum demand notice was filed by AIMA. The show cause notice above said was adjudicated and the demand made in the show cause notice was confirmed vide order dated 6th June 2014 along with equal amount of penalty and applicable interest.

Accordingly, the appeal against above order has been filled with the Tribunal. The final hearing of appeal was held on 31st July, 2018 and after final hearing the Tribunal decided the above case in favour of AIMA and set aside demand and penalties vide its order no. ST/A/ 50124/2019-CU/DB dated 30th January, 2019.

The service tax department has since then filed an appeal in the Hon'ble Supreme Court against the Tribunal order and AIMA has received a notice from the Hon'ble Supreme Court on the same. AIMA has filed a detailed counter reply in the Hon'ble Supreme Court in February, 2020 through our Lawyer. Hence the case shall be taken up in due course by the Hon'ble Supreme Court.

- (C) The Service Tax Department has issued a fourth show cause cum demand notice on 16th May 2014 for ₹ 4.35 crores for the financial year 2012-13. The basis of demand is same as in the previous three demands.

The reply to the above show cause cum demand notice has been filed by AIMA and this case shall be taken up in due course by the Service Tax Department.

- (D) The Service Tax Department has issued a fifth show cause cum demand notice on 13th April 2016 for ₹ 1.54 crores for the financial year 2014-15. The basis of demand is same as in the previous four demands.

The reply to the above show cause cum demand notice has been filed by AIMA and this case shall be taken up in due course by the Service Tax Department.

- 3 (A) AIMA received demand notice from South Delhi Municipal Corporation u/s 123D of Delhi Municipal Corporation Act, 1957 for deposit of ₹ 37,33,518/- towards the payment of arrear on account of house tax for use of Institutional Building as Business Building. The same has been contested by AIMA before Tribunal and Tribunal waived off interest & penalty of ₹ 11,98,785/- but retained the balance demand of ₹ 25,34,733/-. AIMA challenged the order in the Hon'ble High Court of Delhi vide W.P. (C) 2421/2014 & CM No. 5062/2014. The Hon'ble High Court of Delhi has directed AIMA to deposit the above said amount in five equal installments interspersed by two months between each installment. As directed by the Hon'ble High Court of Delhi, AIMA has deposited ₹ 25,34,730/- with the MCD.

The MCD Tribunal after final hearing of above case on 1st May 2017 decided in favour of AIMA & set aside the above South Delhi Municipal Corporation (SDMC) order vide its order dated 1st May 2017 and directed to SDMC to refund the above deposited amount to AIMA with interest. However, SDMC has impugned the order of the Tribunal before the Hon'ble High Court of Delhi through WP 10758 of 2017 and the above matter is pending for the adjudication in the Hon'ble High Court of Delhi.

- (B) We have received another assessment order & demand letter of ₹ 24.76 lakhs (Property Tax ₹ 19.34 lakhs + Interest ₹ 5.42 lakhs) from SDMC for the period from 2014-15 to 2017-18. We have consulted the above said assessment order with our advocate and upon their legal advise, we have filed an appeal impugning the assessment order and have deposited pre-requisite pre-deposit of ₹19.34 lakhs in the MCD Tribunal. SDMC has passed the above assessment order on the similar ground, which as per our advocate is not sustainable in law. Now, the above matter is pending for the adjudication in the MCD Tribunal.

4. Investments are made in securities covered under Section-11(5) of the Income Tax Act, 1961 and are valued at cost of acquisition.

5. Auditor's remunerations and other services excluding Service Tax / GST are as follows:-
