ABOUT AIMA

The All India Management Association (AIMA) is the apex body for management in India with over 38000 members and close to 6000 corporate /institutional members through 67 Local Management Associations affiliated to it. AIMA was formed over 60 years ago and is a non-lobbying, not for profit organization. It works closely with industry, Government, academia and students, to further the cause of the management profession in India; and is represented on a number of policy making bodies of the Government of India and national associations. AIMA offers various services in the areas of testing, distance education, skill development & training, research, publications, executive education and management development programmes – both in the physical and virtual mode. In addition, AIMA brings to the Indian managers, the best management practices and techniques through numerous foreign collaborations with professional bodies and institutions.
