

**Detailed Information about December 2024 Term-End Examinations
(For AICTE approved PGDM/PGDM Executive/PGDITM Programmes)**

The Examination would be conducted in the traditional Pen and Paper Mode on different examination centres chosen by the students from a list of examination centres across the country as per the regulatory guidelines.

For each subject a 3 Hours duration exam would be conducted as per the Date-Sheet notified by the Examination Dept. well in advance.

Structure of the Term-End Examination:

- The Question Paper would be divided into four sections viz. Section A, B, C and Section D
- **Section A** would have 10 questions of multiple choice. Each question would carry 2 marks. Students would be required to answer all the questions of Section A.
- **Section B** would have 5 questions of subjective type. Each question would carry 10 marks. Students would be required to attempt any 3 questions.
- **Section C** would have 5 questions of subjective type. Each question would carry 15 marks. Students would be required to attempt any 2 questions.
- **Section D** of the Question Paper would be based on the Case Study. 2-3 questions would be asked based on the small case study. This section will carry 20 marks.
- The question paper would be designed in such a way that a major part of the syllabus is covered.
- The case study would deal with the applicability of the concepts and would require understanding the situation for answering the questions.
- Questions would be based on the applicability of the concepts as per the course curriculum of each subject.
- The total time duration for the examination would be 3 Hrs.

How to register for December 2024 Term-End Examination:

- The Online registration for the Term-End Examination December 2024 would be activated w.e.f. October 21 till November 20, 2024.
- As done every time, all the students are required to register for the examination by mentioning the subjects which they want to appear for. This can be done through Student Portal's Fee Payment tab (Select Examination Fee from the drop-down list)
- While completing the Examination Fee Form, students are required to choose the examination centre where he/she wishes to write the exams.
- The Date-Sheet for the Exam will be issued well in advance. The examinations would be conducted as per the Date-Sheet.
- All the registered students would be issued their Hall-Ticket with all the details mentioned in it. In case of any discrepancy, students can approach AIMA for necessary corrections.
- While visiting the Examination Hall, students are advised to carry their Admit Card/Hall-Ticket along with the AIMA Student ID Card.
- The student would attempt the examinations as per the instructions and submit the same accordingly.
