

# Capacity Building Programme for Doctoral Educators

Jointly Offered by All India Management Association (AIMA) & Association of Indian Universities (AIU)

**AIMA**  
ALL INDIA MANAGEMENT ASSOCIATION

## Programme Overview

In line with the vision of the National Education Policy (NEP) 2020 to transform the quality of research and doctoral education in India, this intensive 3-day residential programme is designed to empower faculty members with the latest tools, knowledge, and practices to become effective PhD supervisors and research mentors.

This programme will enable participants to navigate evolving research paradigms, facilitate interdisciplinary collaboration, and lead research initiatives with global impact. Conducted by renowned scholars and research experts from India and abroad, the sessions will blend academic theory with practical guidance, reflective learning and peer exchange.

## Who Should Attend?

- ★ Faculty members involved in PhD supervision or research mentoring
- ★ Academic leaders guiding institutional research strategy
- ★ Early-career researchers aspiring to build a research supervision portfolio
- ★ Coordinators of doctoral programmes in HEIs

## Key Details

**Dates & Duration:** 7th August to 9th August 2025- 3 Days

**Mode:** In-Person (Residential)

**Location:** AIMA, Lajpat Nagar, New Delhi

**Programme Fees:** INR 50000 + 18%GST (inclusive of accommodation and meals),

## About AIMA

The All India Management Association (AIMA) is the Voice of India's Leaders and Managers, and the apex body for management in India with over 38000 members and close to 6000 corporate / institutional members through 68 Local Management Associations affiliated to it. AIMA was formed close to 70 years ago and is a non-lobbying, not for profit organisation. It works closely with industry, Government, academia and students, to further the cause of the management profession in India; and is represented on a number of policy making bodies of the Government of India and national associations. AIMA offers various services in the areas of testing, distance education, skill development & training, research, publications, executive education and management development programmes – both in the physical and virtual mode. In addition, AIMA brings to the Indian managers, the best management practices and techniques through numerous foreign collaborations with professional bodies and institutions.

## About AIU

The Association of Indian Universities (AIU), established in 1925 and renamed in 1973, is the apex representative body of Indian universities and higher education institutions. With 1055 Indian members and 19 international associate members, AIU has the largest university network globally after the Association of Commonwealth Universities. It includes all university types—central, state, private, deemed, open, and institutions of national importance. AIU serves as a research-based policy advisory body to the Ministry of Education and acts as a think tank, promoting Indian higher education globally through policy advocacy, capacity building, international collaboration, and support for academics, research, sports, and culture.
