

# Leadership Development Programme for Vice Chancellors

**Jointly Offered by All India Management Association (AIMA) & Association of Indian Universities (AIU)**

## Programme Overview

The National Education Policy (NEP) 2020 has ushered in a transformative vision for Indian higher education. It calls for dynamic leadership, strategic institutional transformation and forward-looking academic governance.

This Leadership Development Programme is specially curated for Vice Chancellors of universities, empowering them to enhance their knowledge, skills and abilities in academic leadership and university administration.

The 3-day residential programme brings together India's top academic leaders and select international experts to create an immersive and engaging learning experience.

## The Programme will be focussing upon:

- Understand strategic implications of NEP 2020 and its institutional impact
- Strengthen governance, regulatory and accreditation readiness in HEIs
- Build leadership and change management capabilities
- Enhance stakeholder engagement and institutional branding
- Create an innovation-driven and research-oriented academic environment

## Topics to be covered

- Visioning and Institutional Strategy under NEP 2020
- Global Trends in University Leadership and Governance
- Leadership Competencies for Academic Administrators
- University Governance: Policies, Ethics and Regulatory Landscape
- Funding Models and Financial Sustainability of HEIs
- Digital Transformation and the Future of Learning
- Building Research and Innovation Ecosystems
- International Collaborations and Global Rankings
- Crisis Management and Institutional Resilience
- Branding and External Stakeholder Engagement for Universities
- Roundtable with Former Vice Chancellors and Global Experts

### Resource Experts & Faculty

Sessions will be delivered by a distinguished panel of Vice Chancellors, senior policymakers, international education experts and former heads of institutions with rich experience in academic administration in India and abroad.

## About AIMA

The All India Management Association (AIMA) is the Voice of India's Leaders and Managers, and the apex body for management in India with over 38000 members and close to 6000 corporate / institutional members through 68 Local Management Associations affiliated to it. AIMA was formed close to 70 years ago and is a non-lobbying, not for profit organisation. It works closely with industry, Government, academia and students, to further the cause of the management profession in India; and is represented on a number of policy making bodies of the Government of India and national associations. AIMA offers various services in the areas of testing, distance education, skill development & training, research, publications, executive education and management development programmes – both in the physical and virtual mode. In addition, AIMA brings to the Indian managers, the best management practices and techniques through numerous foreign collaborations with professional bodies and institutions.

## About AIU

The Association of Indian Universities (AIU), established in 1925 and renamed in 1973, is the apex representative body of Indian universities and higher education institutions. With 1055 Indian members and 19 international associate members, AIU has the largest university network globally after the Association of Commonwealth Universities. It includes all university types—central, state, private, deemed, open, and institutions of national importance. AIU serves as a research-based policy advisory body to the Ministry of Education and acts as a think tank, promoting Indian higher education globally through policy advocacy, capacity building, international collaboration, and support for academics, research, sports, and culture.
