

Leadership Excellence & Advancement Programme (LEAP)

Stepping Forward: Building Confident, Capable & Future-Ready Women Leaders

Programme Objective

To strengthen essential leadership competencies, strategic thinking, executive presence, design leadership, and AI-led decision-making, through a hands-on, high-engagement format that empowers women professionals to lead with confidence and purpose.

Why LEAP Matters

LEAP addresses the real challenges women face as they transition into larger leadership roles. The programme equips participants with the mindsets, skills, and strategic clarity needed to navigate complexity, build influence, and step confidently into positions of greater responsibility. It is designed to accelerate readiness for the next level of leadership, both within organisations and in the broader professional ecosystem.

Who Should Join

Mid-level women professionals across sectors who want to expand their leadership readiness, deepen strategic perspectives, and build influence within and beyond their organisations.

Key Takeaways

- Build self-leadership and a strong executive presence
- Build clarity and confidence in decision-making
- Understand how AI is reshaping leadership and business strategy
- Learn to design and lead with empathy, creativity, and innovation
- Expand your professional network and peer connections.

Why Organisations Should Nominate

- Develop a robust pipeline of women leaders prepared for larger roles
- Advance diversity and inclusion goals through measurable leadership outcomes
- Improve talent retention through targeted leadership development
- Showcase your commitment to gender-balanced leadership

About AIMA

The All India Management Association (AIMA) is the Voice of India's Leaders and Managers, and the apex body for management in India with over 38000 members and close to 6000 corporate / institutional members through 68 Local Management Associations affiliated to it. AIMA was formed close to 70 years ago and is a non-lobbying, not for profit organisation. It works closely with industry, Government, academia and students, to further the cause of the management profession in India; and is represented on a number of policy making bodies of the Government of India and national associations. AIMA offers various services in the areas of testing, distance education, skill development & training, research, publications, executive education and management development programmes – both in the physical and virtual mode. In addition, AIMA brings to the Indian managers, the best management practices and techniques through numerous foreign collaborations with professional bodies and institutions.
