## ABOUT AIMA

The All India Management Association (AIMA) is the Voice of India's Leaders and Managers, and the apex body for management in India with over 38000 members and close to 6000 corporate / institutional members through 68 Local Management Associations affiliated to it. AIMA was formed close to 70 years ago and is a non-lobbying, not for profit organisation. It works closely with industry, Government, academia and students, to further the cause of the management profession in India; and is represented on a number of policy making bodies of the Government of India and national associations. AIMA offers various services in the areas of testing, distance education, skill development & training, research, publications, executive education and management development programmes – both in the physical and virtual mode. In addition, AIMA brings to the Indian managers, the best management practices and techniques through numerous foreign collaborations with professional bodies and institutions.
